

Be Nice, Work Hard, Never Give Up!

Staff, Parents and Visitors Code of Conduct

We believe children learn better when they feel confident and positive about themselves. This is best achieved when staff, parents / carers and guests work together with mutual respect.

In order to make this happen we expect that all stakeholders embrace and are committed to the following core values.

- Always be friendly, welcoming and kind
- Be polite and courteous at all time with everyone you meet
- Respect others and their views
- Work as a team; share what we know with others and have a growth mind-set!
- Have high expectations and standards in everything we do and always conduct ourselves professionally and in line with school policies and systems.
- Keep our promises
- Learn today so that we will be better tomorrow – and enjoy the challenge it brings!
- Remember everyone is an individual and it is our behaviour that sets the example
- Go the extra mile for our pupils and parents

As you can see being a member of our school community means not just talking about these values; it is about truly living them. We are passionate about the service we provide.
