

Reading

Listen to I'm going to eat this ant and draw your favourite part

Play bingo, reading the words and matching the pictures.

Play I spy with an adult, saying what sound your object starts with. Can you write the object.

Show us reading with your adult.

Communication and Language

Play the movement mirror game with your child.

Take turns to do an action such as clap, stand on one leg, wave etc and copy the action as if looking in a mirror.

Play Kim's game

Find 6 objects and cover them with a tea towel or cloth. Lift the cloth and let your child look at them for a few moments. Then re-cover them.

Can your child name any of the objects hidden.

How many can they remember? Take 1 away and see if they notice which one has gone.

Understanding the World

Can you find out information about ants?

Where do ants live?

What do they like to eat?

How do they keep safe?

Writing

Can you create your own words using the letters in your pack ?

Practise your handwriting daily

Can you write an It is sentence using finger spaces?

For example It is a dog.

Can you write a caption about the ant eater

Foundation 2– Learning from home

I'm going to eat this ant—Chris Naylor-Ballesteros

Here are your home learning tasks for the next two weeks. You must upload any work the children have done onto their portfolio on Class Dojo. This learning all links to what your child would be doing in class. Log on to dojo each day to see which learning to complete.

Expressive arts and Design

Can you explore making your own glue by mixing flour and water together.

Can you use your glue to make a picture using things you have around the house

For example crisp packets, wrappers, cut out cardboard etc

Maths

(Our number of the week is 6) You can watch number blocks on iplayer.

Can you draw the spots on the dice to match the number block? (copy the pattern on the dice carefully)

Complete the number 6 activity mat .

Play the roll and colour dice game.

Can you add spots to show doubles on the ladybirds.

Watch the shape song and try to find cube and cuboids around the house.

Personal Social and Emotional Development

Finding the positives

As a family talk to each other about something you like about that person.

Physical Development

Can you complete the maze in your pack using your fingers to do the walking.

Can you create your own maze?

Using your playdough, do the dough disco!
